

POST-TENSIONING DESIGN WORKSHOP

An intensive hands-on 3-day training

GENERAL INFORMATION

WHO SHOULD ATTEND

- Engineers who design and produce structural drawings and calculations for post-tensioned buildings
- Plan checkers and building officials
- Engineers who plan to engage in the structural design of post-tensioned buildings

FORMAT

- The workshop is strictly limited in the number of participants, in order to maintain effective interaction between the instructor and participants.
- Each participant will be working on a dedicated computer, loaded with the design tools needed for the workshop. Participants are encouraged to bring their own laptops and take the work generated with them. Computers will be available for the remainder of the participants.

WHAT IS INCLUDED

- Extensive handout and literature used in the workshop and background information including sample design calculations and structural drawings for several categories of building projects.
- A copy of the educational version of the software used in the workshop. The educational version has all the features of the commercial release, but for limited project size.
- Morning continental breakfast, mid-morning coffee, lunch, and mid-afternoon refreshment
- Dinner at a restaurant on the second evening of the workshop

ADDITIONAL BENEFITS

- Within twelve months from completion of the workshop, each participant will be entitled to two hours of consulting and assistance in design of a post-tensioned project from the team of consultants at ADAPT Corporation.
- Each participant receives a 20% discount on ADAPT software purchased within three months of completion of the workshop.

REGISTRATION FEE

- Registration fee for the entire workshop is:
 - \$3,550.00
 - There is 10% discount for additional participants from the same organization, when registered at the same time
- Hotel accommodations and transportation is not included

CANCELLATION

A 10% administrative fee will apply for cancellations made up to three weeks prior to the start of the course. Cancellations thereafter are nonrefundable. Notice of cancellation must be submitted in writing.

ACCOMMODATION

For up-to-date information on workshop location and nearby accommodations, visit www.adaptsoft.com.

REGISTRATION FORM

Limited seating is available.

(Registrations will be processed on a first-come first-serve basis. Please do not book your travel arrangements until your registration has been confirmed.)
